

Supplemental Annual Assessment Report Matrix

Department/Activity: Upper Level Courses – CHEM 401 & 402

Date: 5/30/03

Program (if applicable):

Mission:

This matrix is to be completed only when an action to address an Assessment Result will require additional resources. This form will provide documentation in the budget process.

Expected Results	Assessment Tools	Assessment Results	Action(s) Taken	Resources Required
The plan ties questions on the ACS standardized exam to the skills designated for the course. Students are also expected to write about inorganic chemistry and how it relates to their everyday lives. This data is collected by using a major writing assignment.	The ACS standardized exam and major writing assignments are used.	Data collected during the three year time period indicate the standards have been met.	No remedial actions were deemed necessary.	Provide funding that will allow for planned upgrades of facilities.
