

Supplemental Annual Assessment Report Matrix

Department/Activity: English

Date: June 10, 2003

Program (if applicable): English Major

Mission: *The mission of the English Major curriculum is to (1) acquaint students with major trends and authors in English and American literature and, to a lesser extent, in other literatures; (2) develop in the students understanding of a variety of methods of literary analysis and proficiency in using those methods; (3) develop in the students critical thinking skills appropriate not only to analysis of literature but also to the variety of professions for which the English Major can prepare them; (4) develop in the students maturity of thought, proficiency in written and oral expression including use of standard English, and ability to organize and develop multiparagraph essays; (5) teach the students research skills and proper use and documentation of material from primary and secondary sources.*

This matrix is to be completed only when an action to address an Assessment Result will require additional resources. This form will provide documentation in the budget process.
