Fastenal Sales and Store Operations Internship Program - With more than 2,000 stores throughout the country and plans to add more, taking an internship with Fastenal can pave the way for an exciting future. Offered at store locations around the country, these internships are designed to provide interns with exposure to every area of our wholesale stores in order to develop operations and technical expertise in a wide range of functions.

The internship is designed to familiarize candidates with the operation of a Fastenal store and prepare them for a future in store management. It is a 12-week experience in one of our 2,000 store locations. The intern will rotate through various store functions including inside and outside sales, distribution, marketing, merchandizing, procurement, and other support areas to get a broad view of the wholesale industrial industry, all while having an impact on the successful operation and management of a Fastenal store.

The internship begins with a Web-based orientation and company overview. Throughout the course of the internship, the intern will be exposed to both formal and informal training. Under the guidance of a mentor, the intern's understanding of Fastenal and the opportunities within the company will be actively developed.

Training will include formal and informal evaluations. The intern will be assigned several smaller projects and one large challenging project, which will allow him/her to apply what they have learned in the classroom to a business setting. The intern's findings and recommendations from their large project will be presented to management in a formal report and presentation. Upon completion of the internship, interns may have the opportunity to remain with Fastenal as a part-time employee while continuing to develop an understanding of our store operations. Full-time opportunities might also be available upon graduation.

This internship is paid; however, no housing allowance is provided. For more information see the contact information provided below: Christopher Faison, Fastenal District Manager; Email: cfaison@fastenal.com
