This Is A Tab

This Is A Channel
This is an example of a channel. Channels will be used to deliver communication about a specific topic. There will be several channels created inside Lesesne Gateway. Some will be specific to a tab and they will automatically appear on the tabs page. Others will be optional and you will be able to add them to existing tabs to personalize your experience within Lesesne Gateway.

Demo for Lesesne Gateway
This is a sample view of what you will see the first time you log in to Lesesne Gateway.

Campus Announcements

There are no announcements

As described in the Channel description, this is a 'Campus Announcements' channel. It will automatically appear on your home tab. You will receive campus wide information in this channel.

For example:

“Cadet Activities is sponsoring the Charleston Community Band as a Fine Arts Event on December 12. ”

Or

“The Laundry and Dry Cleaning facility will be closed on Friday... we apologize for any inconvenience.”

[Click to return to the home screen.](#)

As described in the Channel description, this is a 'Yahoo Weather' channel. You will be able to choose optional channels such as weather, CNN news, etc. and add them to tabs where you can easily access information. This ability to add and opt out of certain channels will personalize your experience in the portal by putting the information you need the most right at your fingertips.

[Click to return to the home screen.](#)

You will find the bulldog at the bottom of each that will help you jump back to the top of the page.
