

Employees by Department Trained to Send Target Announcements in Lesesne Gateway

All Departments are required to train a representative to send announcements. The Target Announcements will replace the Phoebe, Delilah, and Chloe bulletins. If your department has already responded to schedule training, thank you, and we will be in touch. If your department still requires training, please contact [Amy \(Roberts\) Plott](#) to arrange training for your group or to be included in the next available training session.
