### **Benefits - Insurance Eligibility**

The benefits described apply to faculty and staff employed in a slotted position. To be eligible for the various State and College insurance plans, you must be employed in an eligible position for the equivalent of at least 30 hours a week on a 9 or 12-month basis. Temporary grant-funded employees who meet the above requirements are eligible for the benefits specified in your grant. Faculty and staff in slotted positions are required by state law to participate in retirement.
