## Undergraduate Student Research Program NASA – USRP

*New this year – Spring Session*

NASA-USRP offers undergraduate students across the United States internships at NASA centers under the supervision of technical mentors. This prestigious program seeks rising sophomore, junior and senior students in the disciplines of engineering, math, computer science and life/physical sciences. Students may apply for 10-week summer session and 15-week spring or fall session. NASA-USRP provides students with hands-on, real-life research experiences that challenge, inspire and bring practical application to complement the students' academic education. Stipends are \$6,000 for the summer session and \$9,000 for fall and spring, plus a round-trip travel allowance. Application deadlines are:

Spring	October 22, 2007
Summer	January 31, 2008
Fall	February 29, 2008
