Academic Requirements for a Citadel Ring

For a senior cadet to be eligible to receive a class ring, a cadet must meet these two conditions: (1) have an academic classification of 1A and (2) have a CUM GPR of at least a 2.000.

To participate in the Ring Ceremony, the cadet must (3) have passed the Corps Physical Fitness Test and (4) have met the height/weight requirement as outlined in Chapter 5 of the White Book.

To be academically eligible to be classified as a first-semester senior 1A, a cadet must have...

1. Earned enough hours, which means that
   - A cadet cannot be short more than 8 hours required in the major course of study through the spring semester of the junior year.

2. Successfully completed the following core curriculum course work:
   - Four semesters of English (ENGL 101/102/201 and English 202 (or instead of 202—215 or 218 or 219)
   - Two semesters of mathematics (MATH 104/105, MATH 104/106, MATH 105/106, MATH 106/107 or MATH 131/132 as specified in the major course of study. Please note that the two MATH courses must be consecutive.
   - History 103/104 or History 105/106. Please note that the two History courses must be consecutive.
   - Two semesters of the SAME language.
   - Two semesters of the SAME science, both lecture and lab for each semester.
