Following discussion, the motion passed unanimously.

Colonel Love, Chair of the Communications Task Force Committee, reported that consideration for rebranding the term “Transformation” was being reviewed by the external affairs staff. The staff is of the opinion that the term conveyed confusion as to what was really taking place at the college and could cause unease among constituents regarding the real purpose of the college’s reorganization for sustainability and viability. In the discussion that followed, many Board members were in agreement that further study was in order.
Colonel Steve Peper, President of The Citadel Alumni Association, invited all Board members to attend his board meeting on 18 September. The Citadel Foundation and The Citadel Brigadier Foundation boards have been invited as well. This is an initiative to develop a cohesive and singular unity of effort to support the college’s Strategic Plan. The respective chairs of these entities are in agreement that a common strategy needs to be developed and Mr. Bergvall will draft the initial policy statement.

Mr. Bergvall stated that everyone is focused on working together to benefit the college. He acknowledged that challenges had been recognized; he is working on establishing a structure and developing a process on how the groups would move forward.

Chair Snyder called for closure of the open session and called for a motion to go into executive session to discuss contractual and personnel matters.
