Sigi³ is a software program designed to help students identify:
Values, Interests, Personality Types, and Skills (VIPS).

How do I access Sigi³?
▪ Go to ‘Access Sigi³’ link under “Key Resources” via www.citadel.edu/career.

How do I set up an account?
▪ Go to New Users and Create an Account.
  
  Access Code: Go to Lesesne Gateway (Career Center section) OR email CareerCenter@Citadel.edu
  
  Desired ID: Use your Student Lesesne Gateway ID

How do I return to an existing account?
▪ Go to Existing Users and login.

How do I use Sigi³?
▪ Click each bold link to take the assessment.

What if I have trouble accessing my account?
▪ You must access Sigi³ by clicking the link on the Career Center website. Do not try to copy/paste the URL to your browser.
▪ Make sure CAPS LOCK is not on.
▪ When returning to an existing account, use the same login information previously used and click “Forgot your ID or Password” for help.
▪ Follow the instructions to have information emailed to you and be sure to use the email address you used when you set up the account.
