

## Fourthclass Knowledge Tracking Log

Fourthclass Knowledge requirements are found in the *Guidon*. They represent a mix of traditional Citadel knowledge and leader development knowledge. The knob's chain of command tests him on each piece of required knowledge and records the results in the tracking log in the back of the *Guidon*, a facsimile of which is shown below.

Trained	Initially tested	Successfully demonstrated	Sustained proficiency	Sustained proficiency	Sustained proficiency
Citadel Core Values					
Mission of Citadel					
Purpose of Fourth Class System
