MEMORANDUM
No. 3

Disciplinary Restrictions for Club and Club Sport Special Orders

1. Cadets who have more than 10 confinements or any number of tours will not be approved for club or club sports special orders.
2. This restriction does not include NCAA sports teams or special orders required for completion of an academic requirement.
3. The club president, vice president, team captain or co-captain is required to ensure that all cadets who are placed on orders meet this criterion. The club/team advisor should validate the eligibility of the cadets prior to submitting a request for special orders. Any cadet found not to meet this criterion will not be included in the special orders.
4. I ask for your continued assistance and support in enforcing our disciplinary system. My intent is to support Citadel extracurricular activities with reasonable accommodation but not to the point it undermines the disciplinary system.

By Order of the Commandant

ROBERT A. SBERNA
Lt Col, U.S. Air Force (Retired)
