The Citadel currently offers the following undergraduate programs in person and completely online for students pursuing a bachelor's degree:

- Business Administration
- Criminal Justice

Students in these programs may start taking courses in major at The Citadel after transferring 24 credit hours.

Students in online programs can participate in independent studies and internships remotely. Additionally, online students have the option of participating in additional leadership training.

Criminal Justice students have the option to minor in Homeland Security.

Our Business Administration program accepts transfer credit in Introduction to Marketing, Introduction to Management, and Business Law from our partner Technical Colleges.

Why choose The Citadel?

The Citadel is a landmark in Charleston that is noted for its educational reputation, tradition of preparing and producing principled leaders, and is also known for its rich history. Founded in 1842, The Citadel prides itself on its core values of Honor, Duty, & Respect and has an undergraduate student body of about 2,000 students who make up the South Carolina Corps of Cadets. Another 1,000 students attend The Citadel Graduate College, a civilian evening program that offers graduate and undergraduate programs.

The Citadel is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Bachelor’s, Master’s, and Specialist degrees.

Small classes, challenging faculty, and a wide array of educational support services give the support that students need to fulfill their highest academic potential.

Admission Requirements

To be admitted into The Citadel’s Evening Undergraduate Studies Program, students must:

1. Complete the evening undergraduate application online, no application fee required.

2. Submit all official transcripts from each regionally accredited college or university attended. Courses with a grade of C or higher will be considered for transfer to The Citadel.

3. Completion of the designated courses from an approved technical college or university with a grade of C or higher.

4. Applicants are expected to have a minimum grade point average of 2.0.
