

Tenure-Track Positions in Computer Science

The [Department of Mathematics and Computer Science](#) invites applications for two tenure-track faculty positions in computer science at the Assistant Professor level beginning August 2019. Minimum qualifications include an earned Ph.D. in computer science and a commitment to excellence in teaching, research, and service. In addition, candidates should exemplify The Citadel's core values of honor, duty, and respect. Candidates from all areas of computer science are encouraged to apply, especially those with strong backgrounds in cybersecurity.

Located in beautiful Charleston, S.C., [The Citadel](#) is a fully accredited, public, comprehensive, co-educational college with a student body of 2300 undergraduate and 1000 evening and graduate students. **Since 2016, The Citadel has been designated as a National Center of Academic Excellence in Cyber Defense Education by National Security Agency and Department of Homeland Security.** The Department of Mathematics and Computer Science has 16 full-time faculty members within the areas of mathematics, statistics, and computer science. The department offers the B.S. in Computer Science; M.S. in Computer and Information Sciences (jointly with the College of Charleston); graduate certificates in cybersecurity, information systems, and software engineering; and undergraduate minors in computer programming, management information systems, cybersecurity, and cyber interdisciplinary studies. Teaching responsibilities include undergraduate courses in computer science for majors and minors and graduate-level courses in computer and information sciences. A normal teaching load is 9-12 hours per week with small class sizes.

The Citadel supports faculty scholarship through internally-funded research, development, and travel. Salary and fringe benefits are competitive, and other benefits include convenient parking and access to the Citadel Beach House located on Isle of Palms.

Applicants should submit a letter of application, curriculum vitae, copies of graduate transcripts, a statement of teaching philosophy, a statement of research plans, and three letters of recommendation, with at least one that addresses applicant's teaching. All application materials should be submitted online at The Citadel Careers web site, <http://careers.pageuppeople.com/743/cw/en-us/job/495572/assistant-professor-in-computer-science>.
