Southern Region Update

2019 SCAVA Conference
Myrtle Beach, SC
March 26 & 27, 2019

Ron Scoggins
Supervisory ELR
VA Education Service Southern Region
Since the passing of the Harry W. Colmery Educational Assistance Act of 2017, otherwise known as the Forever GI Bill, the Department of Veterans Affairs (VA) has taken action to successfully implement each of its 34 provisions. Actions taken vary from provision to provision. This briefing is intended to provide updates on the most current actions and IT changes.

Also included are some updates on issues relating to our region.
The Forever GI Bill focuses on enhancing the Post-9/11 GI Bill for servicemembers, Veterans, and dependents. Section 501 and 107 are undergoing technical fixes to ensure payments are accurately made to students.

Topics include:

- Enrollment Tips
- Section 501-Removes Exemption from DoD Basic Housing Allowance (BHA) Reduction
- Section 107- Calculate Housing Based on Location of the Campus where the Majority of Classes are taken
Enrollment Tips

Submit enrollments through VA ONCE as soon as the student registers with $0 Tuition and Fees.

- If the student’s actual tuition and fees costs are currently unknown, submit certifications with $0 in the Tuition and Fees field as soon as possible.
- Once the actual tuition and fees are known, resubmit, but remember do not include a remark as it is not necessary.

Only report a change in student’s address if updated from the last submission.

- While it is important for student’s mailing address to be correct with the VA, SCO should not routinely include the mailing address on the VA-ONCE submission of enrollment certifications.
- Validate the student’s mailing address on file at the school with what has been placed in VA-ONCE.
Enrollment Tips Continued

Use non-standard remarks on enrollment certifications only when necessary.

- Non-standard remarks cause the enrollment certification to be manually reviewed and may delay payment to the student or school. Listed below are examples of when additional remarks are not needed:
  - Accidentally submitted under wrong benefit type.
  - Number of hours needed for full time equivalent for graduate training time.
  - Reporting fees separately. Combining the dollar amount of fees with the tuition is acceptable.
  - Any statement which appears redundant in the information already provided.

For Additional information regarding how to submit enrollment certifications, please contact your Education Liaison Representative (ELR) today or call the Education Call Center School Hotline at 1-855-225-1159.
The Department of Veterans Affairs (VA) announced key changes on November 28, 2018, in the processing of GI Bill benefits payments under the Harry W. Colmery Veterans Educational Assistance Act of 2017 (Forever GI Bill).

Veterans Benefits Administration (VBA) will reset its implementation efforts for sections 501 and 107 of the law to allow the department time to re-establish contracting support and resources to develop the capability to process and deploy spring enrollments for 2020.

Section 501 - Removes Exemption from DoD Basic Housing Allowance (BHA) Reduction
Section 501: Basic Housing Allowance (BAH) Rates

Removes Exemption from DoD Basic Housing Allowance (BAH) Reduction – January 1, 2018

• VBA will pay monthly housing allowance rates for the Post-9/11 GI Bill at the current academic year uncapped Department of Defense (DoD) Basic Housing Allowance (BAH) rates.

• For many students, this DoD BAH rate will be equal to or higher than their current payment.
Section 501: Basic Housing Allowance (BAH) Rates

- Creates two categories of individuals with separate rate tables -
  - Individuals that begin using Post-9/11 GI Bill before January 1, 2018 (VA Rate – uncapped)
  - Individuals that begin using Post-9/11 GI Bill on or after January 1, 2018 (DoD Rate – capped)

Note: Rate Tables available in WEAMS

<td>• The individual campus of a school where the student is taking classes (i.e. the school’s science center, humanities building, or athletic center)</td>
<td>• The physical site of the training is either owned or leased by the school</td>

<td>• The school has ownership or control over the student’s classroom instruction or the faculty conducting the instruction</td>

Section 107

- Requires VA to calculate the Monthly Housing Allowance (MHA) under the Post-9/11 GI Bill based on the location of the campus where the individual physically attends majority of their classes.
- This change in law applies to all new terms beginning on or after August 1, 2018.
- MHA is currently based on the “main campus” location of the school where the individual is enrolled.
  - VA will continue to pay this way until Spring of 2020.
  - VA will also correct retroactively any underpayments.
- VA will be communicating any changes and updates to student Veterans, Servicemembers, dependents, and schools.

<tr>
<td>• MHA is calculated using the main campus (facility code) where the student is enrolled</td>
<td>• A student’s MHA will no longer be based on the location of the main facility the student is attending. It will be based on the location where the student physically attends the majority of their classes.</td>

**NOTE:** For the current academic year (2018-2019), VBA will pay housing allowances based on the location of a school’s main campus, rather than the physical location of the student.
