									30
									Total: 122

Notes: \* Or point of placement. \*\* Or next in sequence according to previous course. 101, 102, 201 and 202 are sequential. 201 and 202 will count towards the major after fulfillment of the 2-semester General Education foreign language requirement. \*\*\* Students who have completed 202 are eligible to enroll in any 300-400 level courses, which are non-sequential. German 301 or 302 and at least one course at the 400-level are required for the major. An additional 400-level GERM course may be used to satisfy the gen. ed. capstone requirement. Double-majors will generally complete the gen. ed. capstone in their other major.

The blue cells represent courses in General Education. The grey cells represent graduation requirements. Major classes are yellow. Strand Requirements: Students must complete four strand courses, which may be completed in any order: English (ENGS 30X), History (HISS 30X), Social Science (SCSS 30X), and Science (NTSS 30X).
