

## QUALITY ENHANCEMENT PLAN

### OUR RATIONALE

The Citadel prides itself on student success, high 4-year graduation rates, and strong year to year student retention.

Campus-wide dialogue and engagement highlighted advising as having the most potential to positively impact student success.

### OUR VISION

The Citadel will provide exemplary advising to support student engagement contributing to the development of tomorrow's principled leaders.

### OUR MISSION

The Citadel shall further its mission to develop principled leaders by supporting all students, with a specialized focus on second-year students, in achieving academic, career, and life goals through effective, individualized advising.

## ADVISING DEFINITION

Advising is a partnership between the student and the advisor, in which the student assumes a leadership role in exploring and pursuing informed academic, career, and life goals.

## INITIAL FOCUS ON SECOND-YEAR CADETS

Second-year cadets represent a prime opportunity to prepare for curricular, co-curricular, and leadership experiences that maximize the student experience and equip students for strong post-graduation outcomes.

## WHAT'S NEW?

### Advising Hub

Web-based resource center for everything you need to know about advising!

### Advising Summit

Annual on-campus professional development for advisors and students.

### Director of Advising

LTC Stephanie Fye will lead this student success initiative.
