

Donald E. Stone, Jr., is Chief Executive Officer of Dewberry, a 2,400-person, \$600 million, family-owned professional engineering, architecture and construction firm with more than 55 offices nationwide.

Don graduated from the Citadel in 1980 as a Distinguished Military Student and was commissioned as a 2<sup>nd</sup> Lieutenant and branched to the U.S. Army Corps of Engineers.

As Dewberry's Chief Executive Officer, Don focuses on growing the firm and providing exciting opportunities for employees. His accomplishments include implementing the firm's strategic plan while consolidating and aligning the company's many engineering, architectural, and consulting services. Over the past decade, he has successfully integrated seven acquisitions, adding more than 425 employees to the firm and contributing to Dewberry's continued expansion into the Southeast and the West.

Don is a licensed professional engineer in 12 states and territories and a member of The Society of American Military Engineers.
