

The background of the slide features a marching band in white and grey uniforms performing on a large green lawn. In the background, the main building of The Citadel is visible, characterized by its crenellated towers and a central clock tower. The sky is blue with scattered white clouds.

THE CITADEL SCHOOL OF ENGINEERING

Areas of Greatest Impact
Giving and Sponsorship Opportunities

QUICK OVERVIEW

CIVIL | CONSTRUCTION | COMPUTER | ELECTRICAL | PROGRAM MANAGEMENT | MECHANICAL

AREAS OF GREATEST IMPACT

In collaboration with our educational and industry partners, a strategic plan was developed to ensure that The Citadel's School of Engineering continues the tradition of offering a world-class, nationally ranked, and leadership-based education – focused on meeting the needs of our students, and our local and national communities.

We invite you to explore our areas of **greatest impact** that align with our strategic goals. We look forward to discussing your interests further, with you – our partner.

PROGRAM SPACES

- New Engineering Building
- Rebuild of LeTellier Hall

LEGACY OPPORTUNITIES (NAMING)

- Classroom, Lab, or Office Space(s)
- Professorships or Chair Positions
- Programs and Departments
- School of Engineering

LEARNING AND TEACHING

- Capstone Projects
- Faculty and Staff Service or Outreach
- Faculty Excellence
- Lab Equipment
- Learning and Lab Facilities
- Professorship
- Student Excellence
- Scholarships

IMPACT AND GIVING OPTIONS

ONE TIME

Gifts and support of any amount are impactful
(One-time gifts range from \$5 to several million)

PLANNED

Provides support on a schedule of your choice
(Planned gifts range from \$5 to several million)

ENDOWMENTS

Ensures the program or scholarship will always remain in place
(Endowments range from \$50K to several million)

STUDENT PROGRAMS

- Engineering Week Events & Activities
- Professional Conferences (Student Organizations)
- Intelligent Ground Vehicle Competition
- SAE mini-Baja, Build, Fly (DBF) Competitions
- Steel Bridge Competition
- Concrete Canoe Competition

- American Society of Civil Engineers (ASCE)
- American Society of Mechanical Engineers (ASME)
- Institute of Electrical and Electronics Engineers (IEEE)
- International Council on Systems Engineering (INCOSE)
- Society of American Military Engineers (SAME)
- Society of Women Engineers (SWE)
- National Society of Black Engineers (NSBE)
- Tau Beta Pi - Engineering Honor Society

- Summer Study Abroad Experiences
- Engineering Career and Networking Expo
- Annual Awards and Graduation Programs
