RESULTS OF PROFESSIONAL EXAMINATIONS (2020)
Applicable to all sectors – Reported for April 1, 2019- March 31, 2020

The collection of results data for professional examinations should include first-time test takers (except the teacher education exams at four-year institutions, which include all test takers) for those students who completed an examination during the period of **April 1, 2019 through March 31, 2020**. The following tables display the exams that each sector has reported in the past. Please use this list as a guide for the exams you report this year on the table provided. **Please be aware that your institution may have students taking certification exams that have not been reported in the past.** This would be the case if students were just beginning to complete a new program. In such cases, please report the scores and indicate that the exam is new to the table.

<u>Praxis exams are reported separately in the following table</u>.

Please note that Praxis results are reported on <u>all</u> test-takers. Other exams are reported on first-time test-takers.
