THE CITADEL  Multimedia Services – Digital Editing Request

Requirements for Digital Editing:
1. Digital editing services will adhere to all Educational Fair-Use Act guidelines.
2. Only Citadel-related projects will be processed.
3. The request for digital editing must be made a minimum of two weeks in advance. No exceptions.
4. The digital editing will take a minimum of 14 to 21 business days to complete.
5. Requester will provide the blank media necessary for the final output.
6. Multimedia Services cannot guarantee the quality of final product, which is dependent on original material.
