

## Game Console and Smart Device Registration Guide:

**Note:** This process is only for devices such as gaming consoles, smart TVs, streaming devices, and similar equipment. **Do not use it to register phones or computers.**

To connect a game console or other non-computer network device to The Citadel network, follow these steps:

1. On a computer that is already connected to a network, open a web browser and navigate to <http://access.citadel.edu>.
2. Sign in using your Citadel **username and password**.
3. Make sure you are in the “Citadel Device Registration” Menu
