Work Experience

HEAD ASSISTANT SWIM COACH

Country Club of Charleston

Charleston, SC

January 2017 – Present

Summer league swim team, 120 swimmers of all ages and skill levels participated this summer.

- Operated communications to the team by sending daily or weekly emails to parents, members and swimmers.
- Created workout plans appropriate for swimmers' skill and age levels.
- Managed conflict resolution among swimmers, parents, officials and coaches.
- Organized home meets by setting up timing system, speaker, scoreboards, water stations, parent observation location, and heat-sheets.
- Created heat-sheet based on attendance, skill level, readiness, parental/swimmer request and summer league requirements.
- Break down swim instruction appropriate to development.

ASSISTANT COACH

Swim Charleston

Mt. Pleasant, SC

August 2018 – June 2021

Year-round swim team associated with USA swimming. Currently oversee 150 swimmers of all ages. Swimmers and their parents are highly competitive and are more advanced in the sport.

- Pay attention to details in order to make minor or major corrections to swimmers' form and deliver a concise message to alter the stroke.
- Stay up to date on new techniques to build up to a faster and more efficient stroke.
- Actively film swimmers' strokes for them to watch and correct, the film is sent to the head coach to keep her informed.
- Encourage and praise swimmers on their hard work, perseverance and abilities while at practice.
- Attend swim meets, record times/splits, give two complements and one constructive criticism for swimmers to work on in the future.
