CALL FOR SUBMISSIONS FOR THE XXXIII EDITION (2023)

The Cid is a journal devoted to the dissemination of critical and creative work in Spanish of graduate and undergraduate students. Students who wish to submit their work do not have to be members of Sigma Delta Pi. We encourage original contributions in any literary genres—critical essays, short stories, and poetry (maximum 5000 words). Works submitted to *El Cid* should not have been previously published nor be under consideration for publication elsewhere. Students may send multiple submissions, but only one will be published in a particular edition of the journal. All publications will be eligible for the *Ignacio R.M Galbis* literary prize for best original work. Essays should follow MLA style (9th ed.) and be submitted as Microsoft Word (.doc or .docx) files. Please state the title, the student's name, institutional affiliation, and email address on a separate page. No reference to the student's name should appear elsewhere in the manuscript.

The deadline for submissions is **DECEMBER 20TH, 2022.**

Submissions should be sent to: elcidrevista@citadel.edu
