

SOLE SOURCE JUSTIFICATION

A waiver from the competitive solicitation process may be granted when based upon operational compatibility with existing equipment, strong technological grounds, a unique and cost-effective feature requirement, or when it is clearly in the State's best interest.

1.) Contract Amount: \$ 16,448.00

2.) Requested Supplier: C&C Boiler sales & service Inc. 1220 Atlas Road , Columbia, SC 29209

3.) Description of Item/Service:

Provide and install new Cleaver Brooks throat and liner tiles as per OEM specs on # 3 boiler. This includes high temperature mortar, insulating shim board and proper location of the "key" brick.

4.) Establish the reasons The Citadel absolutely requires this specific Item/Service and the unique benefits that will be realized:

The throat and liner tile on boiler # 3 has failed, the throat liner and fire bricks are critical parts of the boiler combustion chamber. Our boilers are manufactured by Cleaver Brooks, the throat liner and bricks are OEM parts and only available through Cleaver Brooks. C&C boiler is the only regional Cleaver Brooks representative in the Tri-State area who can service this equipment. This equipment must have annual ASME safety and maintenance inspection to ensure operational readiness, with the failed throat liner we are unable to operate it. We are down to two operational boilers.

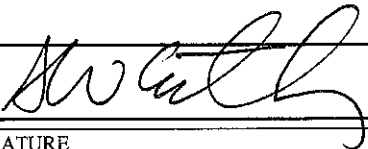

5.) Explanation as to why no other supplier can offer a comparable Item/Service:

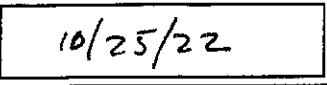

Our boilers are manufactured by Cleaver Brooks, the throat liner and bricks are OEM parts and only available through Cleaver Brooks. C&C boiler is the only regional Cleaver Brooks representative in the Tri-State area who can service this equipment.
