Agency Identification: *(Provide Agency and Number)*

Description of the agency need that this procurement fulfills:

(Do not describe the vendor solution that meets the agency's need. This is often accomplished best by describing the problem the agency is trying to solve.)

Describe the Market Based on Research Performed: *(Enter a description of the market based on research you performed for this procurement including such things as commercially available off the shelf products, vendors providing solutions in the market space, barriers to entry to the market space, benefits and types of customized solutions and how and by whom those solutions are provided.*

- *How were the specifications or scope of work developed?*
- *Will the product be obtained from a third-party vendor or reseller, or the manufacturer?*
- *Will the reseller assist or consult in the implementation?*
- *Length of time and place of delivery?*
- *What types of warranties or other performance guarantees are available in the market?*
- *How and by whom will training be provided?*

Document and retain market research in the procurement workpaper file.)

Sole Source Vendor Name: *(Provide Vendor Legal and dba Name)*

Based upon the following determination, Agency proposes to acquire the supplies, construction, information technology, and/or services described herein from the vendor named above per SC Code Ann § 11-35-1560 and SC Regulation 19-445.2105, Sole Source Procurement.

Description of supplies, construction, information technology, and/or services vendor will provide under the contract: *(Provide a description of the product(s) and/or service(s) identified that will meet the agency's need.)*

Explain why the described solution is the only solution that meets the agency's need and how no other identified solutions were sufficient. *(Provide an informed, objective explanation for the sole source procurement method, including the agency's factual grounds and reasoning as supported by the agency's market research. The agency's explanation should be based on its own conclusions supported by its description of the market space.*

- *Vendor assertions of product differentiation or availability may be obtained as part of market research and are valuable information in the agency's assessment of available solutions, but are not, by themselves, sufficient justification for a sole source determination.*
- *Please do not cut and paste vendor claims, content, or literature in this space.*
