SOLICITATION TITLE: RFP 25021-JM – Water Treatment Program

TYPE OF ADDENDUM:

- ☐ Change or clarification to the Solicitation's specifications, requirements, or scope of work.
- ☒ Questions posed regarding the Solicitation and their respective answers by The Citadel.

Questions - Since this is a best-value solicitation, is there flexibility for us to demonstrate how we would address and compensate for any such limitations on certain bid requirements while still delivering outstanding results? We would like to bid if we are able to highlight the items of the contract we will not be able to fulfill but will be able to compensate for in a cost-effective yet innovative manner that the Citadel will benefit from.

Answer – This is not a best value solicitation, this is a request for proposal. Yes, you may demonstrate in your proposal response how you would address your ability to perform the full scope of work. All proposals must meet the full scope of work in the solicitation.
