Majors

Pursuing a Double Major
Under certain circumstances, a student may wish to pursue two different majors concurrently within the same baccalaureate degree. This will be permitted under the following conditions:

1. Students must declare their intentions to the Registrar no later than the fall semester of the junior year.
2. Both majors must be offered under the same baccalaureate degree.
3. Students must complete all requirements for each major.
4. Students, in addition to meeting a minimum overall grade-point ratio, must achieve the minimum grade-point ratio requirements of each major.
5. Requirements for both majors must be completed concurrently.

A student who has met these requirements will have both majors indicated on the transcript.
