

**Rex K. Skanchy Biology Research Award
Application for 2014-2015**

Student Name:

Email:

Faculty Research Advisor:

Title of Project:

Anticipated Dates of Research:

Total Amount of Funds Requested (may not exceed \$1,278):

Budget Justification: Requested funds may be for any activity that is related to undergraduate research (e.g. supplies, travel, student wages) that occurs during the fiscal year. Each supply item with the source (Fisher, Forestry Supplies, etc.).

Statement of the Research Project: In approximately 1-2 pages, please describe 1) the purpose of the research including background information, 2) hypotheses to be addressed, 3) a brief statement of research methods, and 4) expected results and/or benefits. Include a literature cited section at the end.

Student Signature:

Date:

Note to Student: By signing this form, you are agreeing to present your research findings at a local, regional, or national meeting.

Faculty Research Advisor's Signature:

Note to Advisor: By signing this form you are confirming that the requested items are necessary for the student's research, and you are agreeing to supervise this research.

Completed Applications should be submitted to Dr. John Weinstein, Department of Biology by April 7, 2014 at 5PM.
