The college continues to search for feasible parking alternatives, including the possible use of the landfill site.

After discussion of the various aspects of the proposal, Colonel Dominic moved:

**MOTION**

“That the Board of Visitors approves the use of the ‘Parking Garage Sinking Fund’ to pay a contractor to investigate the current environmental conditions, perform land and wetland surveys of the landfill site, and prepare...”
the Site Plan and bid documents required for SCDHEC compliance (Phase I as briefed on 3 December teleconference) at the cost of approximately $150,000. Additionally, if it is later determined not to use the property for parking, the appropriate funding source that utilizes the land will reimburse the ‘Parking Garage Sinking Fund.’”

The motion was seconded and unanimously approved by the voting members present: Price, Love, Goff, McCoy, Pinson, Myers, Dominick and Khan.
