

Tommy Baker Veterans Fellowship Program

Overview

The Tommy Baker Veterans Fellowship Program provides participants with an opportunity to address the variety of needs facing veteran students while moving toward degree completion and employment in their chosen field. Ten recipients are selected each year and provided with a \$5,000 stipend for tuition and educational expenses. In addition, **Fellows must work with Citadel Career Services staff to obtain and design an internship experience with a company or organization that is approved by Career Services, and complete one, 90 contact hour semester-long internship with an approved agency or organization by May 1, 2021.** Fellows *may* be asked to participate in a retreat during the year, and make a presentation of their experiences as a Fellow to the Baker Fellows Advisory Board in April 2021. Upon completion of the Fellowship, participants may be asked to serve as ex-officio members of the Baker Fellows Advisory Board.
