II. **Functions:** This policy prescribes procedures for the following functions:

A. **Leaves and Passes**

2. **Overnight and Weekend Leave**
3. **Special Leave**
4. **Emergency Leave**
5. **Military Duty Leave**
6. **Special Orders**
7. **Passes**

B. **Incentives**

1. **24/48 Hour Pass (Deans List & Gold Star)**
2. **Block Leave**

C. **Privileges**

III. **Procedures:**

- A. **Leaves and Passes:** The Company or Battalion TAC Officer must approve special allocation of additional leaves or passes to individuals, or a group of individuals. Any time a cadet leaves campus (unless for PT purposes), he/she is required to sign out through the "Cadet Accountability System" (CAS) and sign-in upon his/her return.
1. **General Leaves:** General Leave on Sunday ends at 2230 for C4/5 and 1950 for C3, C2 and C1 cadets. On Friday and Saturday night, upper-class has leave until 0100 and freshmen have leave until 2400 or as directed by the Commandant.
  2. **Overnight and Weekend Leave:** Cadets MUST BE PROFICIENT IN ALL AREAS to take or use any leaves or passes. "Class Allots," "Rank Allots," and all individual "Incentive Awards Matrix" overnights and 24 hour passes are subject to the following operating policy and procedures:

- i. **Requests:** Cadets must request individual Overnights through CAS. These leaves include Class Allots, Rank Allots, and Incentives (see the matrix charts at end of section) the cadet must have unused leave available and be proficient. The approval authority for these leaves is automatic based upon leave balance. Cadets must sign-out in CAS under the leave they requested. Company Block Overnights must be requested on CAS. The authority for Company Block Leaves is the Cadet Company Commander with approval of the CO or BN TAC Officer.
    - a. Overnight Leaves may be requested for any Friday or Saturday night on an open weekend, and any Saturday night on a closed weekend-- except during an exam period or in conjunction with a furlough. Cadets may not depart for overnight leave until after the completion of their scheduled duties. The overnight begins after last duty on either day. If the overnight is taken on Friday night, it ends at the end of General Leave on Saturday for the appropriate class. If the overnight is taken on Saturday night, it ends at the end of General Leave on Sunday for the appropriate class.
  - ii. **Class and Rank Allotments:** The number of Overnights authorized is based on "C" Status by the Registrar's Office and the official Rank Rosters maintained by the Commandant's Department.
  - iii. **Cadet Commanders:** Are responsible for ensuring that there is cadet leadership presence in the barracks during the weekend and that the weekend Company Duty Team mission is properly conducted. Company Commanders must obtain approval from the Battalion TAC to miss Friday afternoon parade.
- 3. Special Leave:** If leave is necessary during the week (to include the 24 hour academic achievement passes awarded to Gold Star and Deans List cadets), a cadet must have an approved "Special Purpose Leave," Emergency Leave," or "Military Duty Leave" as described below.
- i. **Special Purpose Leave:** When a Special Purpose Leave is granted, it is to be charged against the cadet's number of allotted leaves. If the cadet has no leaves available, the leave will generally not be approved unless unique or special circumstances exist. If classes, tests, assigned academic work, or other assigned duties are to be missed, the cadet must meet with the professor, to permit making up missed work. Special Purpose Leaves must be submitted online no later than five working days in advance of departure date, with the exception of emergencies. Special Purpose Leaves that may be approved by the Company or Battalion TAC are as follows:
    - ii. **Special Events:** While what constitutes a significant special event may vary among individuals and situations, it is the responsibility of the requestor to articulate to the TAC why the circumstances warrant missing a cadet duty. Requests must include the specific details of the event, the exact times and locations, the duties the cadet will miss, and the measures the cadet has taken to find a replacement for or to make-up the duties he or she will miss. The TAC will use this information to make a decision that optimizes the legitimate interests of both the cadet and The Citadel. An example of a request that meets this standard: "I request permission to attend my best friend's graduation from basic training at Fort Jackson. The ceremony begins at 0800 on Saturday. I request permission to leave after the parade Friday so I can spend the night in Columbia and be on post by 0730 on Saturday. I will miss the SMI but I have arranged to have my platoon leader inspect my room and me before I depart Friday afternoon and I will leave my room in MRI when I go".
  - iii. **Emergencies:** Serious illness or death in the family (considered "Emergency Special Leave".
  - iv. **Court Appearances:** Must have documentation to support request.

- v. **Counseling:** Leaves for substance abuse counseling/classes or AA meetings must go through the Counseling Center and the cadet put on special orders.
  - vi. **Medical Leave:** The Infirmary grants all Medical Leaves.
  - vii. **Authority:** Requirements for any extensions to any leave/absence other than medical leave must have the approval of the appropriate TAC/COC or from the Commandant's Office. It is incumbent on the cadet to make this coordination, not the Cadet Chain of Command. The Cadet Chain of Command does not have the authority to approve extension of cadet leaves.
4. **Emergency Leave:** TAC Officers or COCs may approve an emergency leave due to serious illness or death in the family or BN TAC approved person when necessary and/or outside of normal duty hours. These leaves may be granted to a cadet who has a death or serious illness (which requires hospitalization) in the immediate family or BN TAC approved person. The immediate family includes parents, grandparents, brothers, sisters, and other permanent members of the cadet's household. The length of Emergency Leave depends on the situation but is normally approved for periods that include no more than five class days. Emergency Leaves are requested online through CAS. When an Emergency Leave is granted, the Commandant's Office is notified as soon as possible. Emergency Leaves may be charged to a cadet's leave account. If a cadet requires Emergency Leave that involves missing classes or duties and time does not permit the cadet to meet with the professor, the cadet is required to email each professor/instructor to inform them of the necessary absence. The TACs or COC may request proof that notification to the professor/instructor has been completed. An emergency contact number must be obtained and final approval of these leaves/passes rests with the Cadet Company Commander and Company or Battalion TAC Officer.
5. **Military Duty Leave:** Cadets who are members of the Reserve Forces of the United States or a state National Guard Unit may be granted Military Duty Leave. Request for Military Leave must be submitted through CAS no later than Wednesday prior to the drill weekend. Military Duty Leave will begin concurrent with the date of the drill start time. Cadets will not be authorized overnight leaves as part of Military Drill unless distance to the Drill Location precludes returning to the barracks at night OR the military orders specify in writing that the individual is required to remain at the drill location overnight due to military requirements. Military Leave is not approved for departure before parade on Friday, unless the drill requires the cadet to be present on Friday evening and the distance to the drill site warrants release before parade. Cadets must return by the end of general leave on Sunday (1950) unless distance to the drill site precludes this. The drill location, unit, point of contact, telephone number, and drill start and end date and times will be clearly specified on CAS. Your BN or CO TAC may request a copy of orders. Military duty leave is not charged against a cadet's normal allocation of leaves, unless a cadet elects to take an Overnight or Weekend in conjunction with drill. Cadets will not change their normally scheduled drill dates for personal convenience, .i.e. open versus closed weekend. Cadets who do reschedule a normal drill weekend must reschedule for an open weekend. Cadets are not authorized to miss class to make up drill periods. Cadets are not normally released early on summer furlough to participate in annual training. If classes, examinations, or other assigned duties are to be missed, the cadet must meet with the professor, and the professor's written agreement to permit making up missed work may be requested by the BN or CO TAC. Final approval authority for these leaves is the Cadet Company Commander and Company or Battalion TAC Officer.
6. **Special Orders:** All Special Orders are submitted thru the Special Orders System (SOS) on CAS. Special Leave will not be used for the following leave types:
- i. **Event/Activity Special Orders:** The Faculty/Staff advisor of the activity requests these orders. When individual students or groups of students travel to participate in an

activity related to confirmed membership in an approved Student Activity, Religious Group, or Club Sport, they may be granted Leave. Each year, the Director of Cadet Activities publishes a list of College-approved Cadet Clubs, Organizations and Religious Groups. The Health and PE Department Head publishes a list of approved Club Sports. Each of these activities and Club Sports has its own rules for membership or participation but must follow the rules and regulations as defined in White Book Chapter 4 Section I "Experiential Learning and Cadet Activities." Eligible cadets are authorized one event or activity each semester and must wear an authorized Citadel Cadet uniform as specified on the order. A cadet must be a member in good standing to be eligible to participate in these orders.

- ii. **Medical Leaves:** Cadets requiring medical leave must have the need verified by Infirmary Medical Personnel. The request must be submitted by the Infirmary to the Commandant's Office via the SOS. While categorized with Special Leaves, the Special Leave Form is not used for Medical Leaves. Medical appointments (Doctor or Dental) cannot be scheduled to take place 2 days before or after a scheduled holiday or furlough.
  - iii. **Commandant/President Inspection:** The only Special Orders that may be approved for these Inspections are for NCAA teams.
- 7. Passes:**
- i. **Charleston Pass:**
    - a. **Mondays:** Proficient C4/5 cadets will be allowed to leave after their last academic, military, and cadet duty (but not before 1300 hrs.) until 2230. Abuse of this privilege results in loss of the privilege. Approval authority is the Battalion TAC. The operating procedures require that eligible cadets sign out through CAS and sign-in upon their return.
    - b. **Wednesdays:** Gold Star cadets, Deans List cadets, and proficient C4/5 or higher cadets have one 2230 Charleston Pass each week (on Wednesday). Abuse of this privilege results in loss of the privilege. Approval authority is the Company TAC. *The following operating procedures apply:*
      - a) The 1SG will compile a list of all proficient cadets who are eligible to have leave (Gold Star, Dean's List, and proficient C4/5 cadets). To be proficient, C4/5 cadets must be proficient in all areas (academics, conduct, and physically).
      - b) The unit 1SG will receive the un-laminated leave cards. The 1SG will print the eligible cadet's name and unit on the appropriate leave cards.
      - c) If the cadet is not authorized a CP they will be reported to their company commander for appropriate disciplinary action.
      - d) Each week the 1SG will compare his/her list of proficient cadets with the punishment orders, physically deficient list, and the academic proficient list to ensure that all cadets on his/her initial list are still allowed to take a Charleston Pass. If they are not eligible, the deficient cadet is not authorized a CP until the cadet becomes proficient.
      - e) SGMs will serve the function of 1SG on battalion and regimental staffs in the distribution, collection, and the denial of leave cards.
      - f) MSGs and Supply SGTs will assist SGMs and 1st SGTs when they are not available in the duties of enforcement and collection of the leave cards.

- i. **24-Hour Pass:** All leaves are a 24 hour pass or a combination of no more than two 24 hour passes. This includes Incentive leaves like Gold Stars, Allotment leaves as annotated in paragraph A.2. above. The 24 hour passes that are earned academically to Dean's List and Gold Star cadets are the only incentives that qualify for missing classes or duties. Otherwise, the Special Leave Approval process must be completed. The 24hour passes cannot be used to miss the Commandant or President's Inspections, nor can it be used in conjunction with a Furlough. Responsibility for final approval of these leaves/passes rests with the Cadet Company Commander and Company or Battalion TAC Officer.
- B. Incentives:** - Incentives are subject to the rules and regulations as described below and previously described in the chapter. To view the current AY Incentives, see the "Class Allots," "Rank Allots," and "Incentive Matrix" charts at the end of the chapter.
- **Review:** This incentive policy will be reviewed and updated annually. Suggestions for changes should be forwarded directly to the Commandant, through the Cadet Chain of Command. Cadets are expected to review and be aware of the changes at the start of each academic year.
  - **Reward:** Individual and organizational pursuit of standards of excellence in the areas of academics, drill and ceremonies, physical fitness, community service, and discipline are a part of cadet life. This Incentive Policy is intended to reward individual cadets and cadet organizations as they achieve standards of excellence, and supplements those incentives already published in Cadet Regulations.
  - **Proficiency:** Cadets must be academic, conduct, and physically proficient to utilize Incentive Awards. These leaves will terminate at 1950 on Sunday.
  - **Fourth Class eligibility:** C1 cadets are eligible to earn all incentive awards but cannot utilize them during the first semester (unless approved by the BN TAC). 1st Semester awards will be banked for the 2nd Semester.
    1. **Deans List and Gold Stars:** 24 (Dean's List) and two 24 (Gold Star) cadets may request these online. If classes, tests, academic work, or other assigned duties are to be missed when using a 24-hour pass, the cadet must meet with the professor to obtain permission to make-up any missed work. Responsibility for final approval of these leaves/passes rests with the Cadet Company Commander and Company or Battalion TAC Officer. (NOTE: Even though a Gold Star cadet automatically makes Dean's List, he/she is awarded the two 24 hour passes only and will not get the 24-hour pass for Dean's List.) The 24 hour passes that are earned academically to Dean's List and Gold Star cadets are the only incentives that qualify for missing classes or duties. Otherwise, the Special Leave Approval process must be completed.
    2. **Block Leaves:** All Company and Battalion level Overnight and Weekend incentives must be taken as a Unit (a Block). Further, these Block Leaves cannot be taken on a closed weekend or in the case of Overnights, over a part of a weekend that is closed. It is the Company or Battalion Commanders' call as to which weekend/night the leave will be taken, and the Battalion TAC must approve the leave. Cadets in that organization who cannot take the leave at the designated time will lose the incentive. Block Overnights/Weekends will not be scheduled on ROTC Training Weekends.
      - i. These leaves do not start until after "last duty" of the day. It is important that this be kept in mind, particularly if the Block Overnight is scheduled over a weekend with scheduled Saturday requirements (e.g., football games, field day, Parents' Day, Homecoming, Commandant's Inspection, President's Inspection, Corps Day, etc.).
      - ii. Commanders will coordinate "Block Overnights" with the Battalion TAC at least a duty week (COB Monday) before the requested date. Communication will be made with the Commandant's Department so that the appropriate block overnight/ weekend can be added to the Company/Battalion leave bank.

**C. Privileges:** Privileges will be reviewed by the rising chain of command and updated annually.

Suggestions for changes should be forwarded directly to the Commandant, through the Cadet Chain of Command. Upon a change in policy, cadets will be notified and, subsequently, expected to review and be aware of the changes for the following school year (updates & changes will be highlighted in red for each AY).

1. **Class Privileges** are based on the cadet's "C" status.
