

Assignments

When you look at your modules you will notice different icons for each piece of the module.

When you see this icon it signifies that the item is an assignment.

You can also find course discussions by navigating to the Assignments tab in the course navigation menu and clicking on the desired Assignment.

First Read the instructions provided. Once your assignment is ready to be uploaded click **Submit Assignment**.

Click **Browse** to find file to upload.

If you have comments for your professor regarding the assignment, type them here

When you are ready to submit your assignment click **Submit Assignment**.
