

Discussion Boards

When you look at your modules you will notice different icons for each piece of the module.

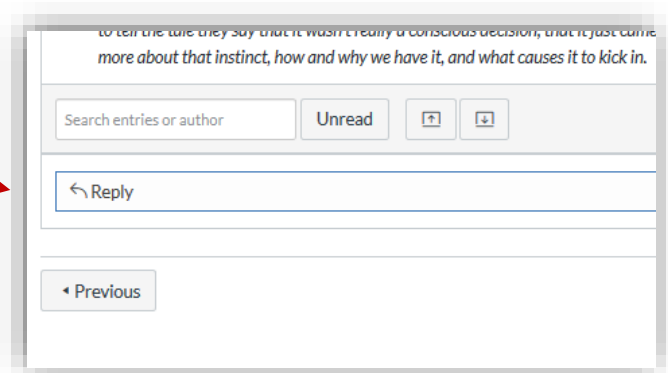

When you see this icon it signifies that the item is a discussion.

You can also find course discussions by navigating to the Discussion tab in the course navigation menu and clicking on the desired Discussion.

To make a post, click the **Reply** button.

This will open the Rich Content Editor to create a post.

When you are satisfied with your post click **Post Reply**.
