WHAT MAKES IT UNIQUE?

The 2+2 program/degree completion program in Social Studies Education was created to provide students with an opportunity to receive a four-year degree leading to initial Teacher Licensure from The Citadel in the evening. ***It is the only evening 2+2 secondary education program in the Lowcountry.***

Graduates who successfully meet the program expectations are eligible for recommendation to the state for initial teacher certification in social studies at the secondary level, including middle grades 7 and 8. Highly qualified social studies teachers are in great demand!
