### Developing Principled Leaders For Tomorrow's Classrooms

# Purpose

The purpose of the Zucker Family School of Education Mentor Program at The Citadel is to support teacher candidates and counselor education students by providing counsel and assistance in the achievement of their career goals.

# Who Can Participate?

During the academic school year, those who may participate include

- undergraduate teacher education majors
- graduate teacher education majors
- counselor education majors
- current or former educators with teaching, counseling, and/or educational administration experience.

# How to Apply

Complete either the student or mentor profile included in this brochure. Return it to  
Dr. George Williams  
Zucker Family School of Education  
The Citadel  
171 Moultrie Street  
Charleston, SC 29409

or apply electronically at  
<http://www.citadel.edu/education/mentor>

# Why Participate?

Expected outcomes for mentees include

- a supportive one-on-one relationship with current or former professionals in the field of education
- guidance in achieving career goals
- an opportunity to gain insight into current issues affecting today's educational environment
- social interaction with someone who has "been there and done that."

Expected outcomes for mentors include

- insight into perspectives and concerns from future educators
- opportunities to guide and support tomorrow's leaders in education
- collaboration with other professional educators
- interaction with Citadel cadets and/or graduate students.
