The Citadel Safety Challenge Coin

DESCRIPTION: The official groundbreaking for the new Bastin Hall – School of Business was Saturday October 14, 2017 but Monday morning, October 16, 2017, was another sort of groundbreaking. Dave Orr, Director of Environmental Health and Safety along with Greg Moore, Capital Projects Manager, presented Col. Tom Philipkosky, Lt. Col. Jay Beam and Glenn Easterby with specially designed Citadel hardhats and the new Citadel Safety Challenge Coin. The Safety Challenge Coins were presented in recognition of going above and beyond in supporting the safety efforts at The Citadel.
