

## SATISFACTORY ACADEMIC PROGRESS APPEAL

Based on your academic performance and/or total accumulated hours, you are no longer eligible for financial aid as established by The Citadel's Satisfactory Academic Progress (SAP) Policy. To appeal this decision, you are required to explain special circumstances during the semester or academic year that prohibited you from performing in your classes and/or the reasons that you have accumulated excessive units without graduation.

**Complete this form:** clearly explain all extenuating circumstances and submit supporting documents to the financial aid office. Paperwork is due two weeks prior to the end of the semester under appeal. Committee review of your appeal may take 2-4 weeks, and you will be notified via email of the committee's decision. If you have registered for classes, you must pay all fees by the deadline to avoid being dropped from classes.
