

The Citadel COVID Scholarship/Grant Fund Application

The Citadel Alumni through The Citadel Foundation have created a COVID-19 Fund to assist current Citadel students with limited scholarship/grant funding to help students offset instructional related expenses. The scholarship/grant will be awarded based on individual situations of each student, but must be tied to disruptions caused by the pandemic. The typical amount of the award will be \$1000 - \$2500. To be considered in the first round of funding, please complete and return this application to the Office of Financial Aid & Scholarship as soon as possible. Applications and any supporting documentation should be uploaded to the Office of Financial Aid & Scholarship online at <http://www.citadel.edu/forms/secureupload/>. Select "Office of Financial Aid & Scholarships" as the office to receive the documents.

Applications will be reviewed by a scholarship committee comprised of members of the Provost's Office and the Office of Financial Aid. Students will be notified of the committee's decision by email.

Scholarship funding will be considered within the following guidelines:

- Applications may be submitted by any Citadel student enrolled at least half time;
- Applicants must demonstrate that they have need to cover costs of tuition, laptops, books or course materials and whose need is directly related to COVID-19 related issues;
- The committee will review each application and contact applicants if additional information is needed;
- Scholarship/Grant funding is limited and will be allocated upon a needs-basis until all funds are depleted.
