

THURSDAY OCT 29 4 PM CYBERSECURITY AWARENESS EVENT

Join the event as we give an in-depth look into the top 10 Cyber Threats to the world today! We will also look at real-life examples of the actions hackers can take against you—such as cracking passwords, social engineering, phishing, and packet sniffing!

Hosted by the NSF CyberCorps(R) SFS Scholars, DoD CySP Scholars and The Citadel Cyber Club

Games and Quizzes to win prizes!

Potential Extra Credit for CRMJ, INTL, CSCI and more! Ask your teacher!

Open to all students!
