

Directions for Interview Stream

1. Click the Interview Stream link on the Career Center's website under Resources

2. Log in or register for a new account
3. In order to practice an interview, click "Conduct an Interview"

CONDUCT AN INTERVIEW

Create a new interview.

4. Select "Custom Interview" to choose the questions you will practice
5. Physically search for a set of interview questions by either entering criteria in the search bar or looking through the preset interview questions:

A screenshot of the Interview Stream search interface. It shows a search bar with the text "Search" and a magnifying glass icon. Below the search bar is a list of interview question categories, including "Administrative Assistant", "Automotive Tech", "Business", "Business / Consulting / Business/Market Valuation", "Business / Consulting / Case Question", "Business / Consulting / Client Skills", "Business / Consulting / Consulting General", "Business / Economics", and "Business / Energy / Corporate Strategy". A blue arrow points from the right towards the search bar.

6. Hit the "+" sign to add them to your queue
7. "Start my interview" will start the interview where you will be asked the questions on screen

Note: You must have access to a webcam and microphone in order to use Interview Stream
