### Friday 4 October 2019

If you attend General Walters' 10:30AM "Report to Parents" in Mark Clark Hall, you need to consider if you will eat on campus or not. Keep in mind:

- Upperclass Cadets' General Leave begins after their last morning class, so check with them to see when they would like to leave campus.
- Freshmen will have a mandatory lunch formation and meal followed by lining the streets for the Seniors.

- Additionally, the Canteen will be open, which includes a Chik-Fil-A, and we now have a full service Starbucks in the Reception Room of Mark Clark Hall.
- **Boxed Lunches:** Starbucks and The Canteen will be busy, so we are offering prepaid boxed lunches that will be available in Mark Clark Hall for pickup. Each lunch includes a sandwich, chips, granola bar, cookies and a water. Cost is \$10 and you must prepay. You do not need to order one for your cadet unless they plan to meet you for lunch in Mark Clark Hall – remember all cadets will have lunch available in the Mess Hall that day. Freshmen must eat lunch in the Mess Hall. The choice of sandwiches are:

Turkey & Cheese	
Ham & Cheese

**Saturday 5 October 2019**

You and your Cadet will need to determine where and what you would like for lunch that will be right after parade. You have four pre-pay options – look at them all before deciding – **only prepaid customers can use these venues:**

- 1) **Coward Hall:** This is the cadet dining facility. Cost is 14.00 per person – you need to register your cadet, but their meal is already paid for. The format will be cafeteria style via the various serving lines. Pre-purchase is required, limited to the first 500!

*Note: Band Members and their families will eat in the Regimental Commanders Riverview Room since they have to leave early for the football game. The system will ask if you are a Band family member.*

**Number of “NON-CADET” Meals in Coward Hall:** \_\_\_\_\_

**Will my cadet be with me? Yes / No**

**Is my cadet in the Band? Yes/No**

- 2) **Deas Hall:** You can pick up a box lunch for \$10 (your cadet has already been paid for, but we need to include them in the final count). The meals will have a sandwich, chips, granola bar, cookie and a water. Pre-purchase is required. The sandwich selections are:

- 3) **CAA BBQ Buffet:** This is in the HAC and costs \$12 per person to include your cadet. They are limited to 250. Size of the space limits them to 250. Like the CFA BBQ you will have to purchase a meal for your cadet. Menu includes: Coleslaw, Baked Beans, Fried Chicken, BBQ Pork with buns

Other meal locations: Cadets will not have a lot time to leave campus between Parade and forming up for the football game. There is no registration required for the Canteen, Chick-Fil-A and Starbucks.

**T-Shirts:** We sold these last three years and had a good response. So we are doing it again this year, but in a different color - "Big Red!" This is a heavier t-shirt so they will last a while, with the Citadel logo on the front and words on the back that identifies you as a member of The Citadel Family! Cost again this year is \$20 per shirt. In order to ensure delivery in time we will cut off sales at midnight of **September 19<sup>th</sup>**. **Tote bags:** Based on feedback from last year, we are once again offering tote bags for \$15 each. Again, we will have to cut off sales at midnight of 19 September to insure delivery.

Tote Bag size is 12 1/4" W x 14" H x 6" D. I was surprised at the quality of the bag, which is why we are offering them again this year. The totes will have the "Big Red" colored straps with The Citadel Logo with "Parents' Day Weekend 2019" below it.

**Note we will discontinue sales of shirts and tote bags at midnight on Thursday September 19th and meals at midnight of September 29th.**

Keep in mind, your order **will not be complete until** you submit payment information on the "Touchnet" site. Once you get to the checkout page, you will find a space at the bottom to enter the type of payment, enter a code to verify you are not a robot, then click on the button that says "Finish Your Registration". At that point, you will be directed to the Touchnet site where you will submit your credit card information.

You should receive an email letting you know we received your order.
