MEMORANDUM
NUMBER 4-005

20 June 2018

**INURNMENT OF HUMAN CREMAINS AT
THE MEMORIAL BELL TOWER COLUMBARIUM POLICY**

1. PURPOSE

This Memorandum establishes the criteria by which individuals will be eligible to be interred in The Citadel's Memorial Bell Tower Columbarium.

2. REFERENCE

S.C. Code Ann. § 32-8-300, *et. seq.*, and 40-8-200 (Law Co-op, 1976)

3. DEFINITIONS

- A. Columbarium: a vault with niches for funeral urns.
- B. Niche: an above ground burial space, where a decedent's urn, containing their cremated remains, is placed inside and sealed.

4. POLICY

A. Background.

- 1. In November 2007, The Citadel dedicated the Memorial Bell Tower Columbarium in the Thomas Dry Howie Carillon. The columbarium consists of four hundred and three (403) niches to be used for storing and perpetual care of human cremains. Each niche accommodates a total of two (2) urns of human cremains.
- 2. On 1 April 2017, The Citadel Alumni Association transferred responsibility for the Memorial Bell Tower Columbarium to the Chaplain to Corps of Cadets and Director of Religious Activities.

B. Only the following will be eligible for inurnment in the columbarium:

- 1. Those individuals who have graduated from The Citadel, and their designated family members.
- 2. Enrolled students at The Citadel who die before graduation.

3. Former students of The Citadel who did not graduate, but who were called to active duty and died while on active duty.
 4. Faculty or staff members with twenty-eight (28) years of service to The Citadel.
- C. The Chaplain to Corps of Cadets and Director of Religious Activities is responsible for contracting with individuals who desire to be inurned in the Memorial Bell Tower Columbarium or the representative of individuals eligible for inurnment in the Memorial Bell Tower Columbarium. Contracting for a burial niche does not automatically secure the use of the Summerall Chapel or the services of the Chaplain. Licensee or decedent's agent, as appropriate, must contract for such services separately
- D. Eligible individuals or their families reserve a niche by payment of the designated fees and the execution of required documents at the time of purchase. See Annex A. The honoree or the family of the honoree can stipulate the use of the second space in the niche at the time of purchase. The right to use the niches may not be sold, assigned or transferred in any way. Honorees or their families may select a niche at the time of purchase. Otherwise, niches will be assigned by the college.
- E. Cremains must be inurned in a non-biodegradable urn. No more than two urns may be inurned in each niche. Urns must fit within an 8" (W) x 8" (H) x 12" (L) space. Licensee may purchase an urn or urns from any vendor Each niche will be covered with a suitable plate, uniform in size, which shall be engraved with the name, dates of birth and death.
- F. Urns containing a decedent's cremains may be placed in the Columbarium by a licensed funeral home director, the decedent's agent, or any other person duly designated by the licensee or the decedent's agent, as appropriate. However, The Citadel will not receive or store cremains prior to inurnment in the Columbarium.
- G. For additional information regarding the Office of Chaplaincy and the Columbarium go to: <http://www.citadel.edu/root/chapel-history>.

5. COMPLIANCE
