NOTES:

1. See attached description of each general category of fee.
2. Infirmary fees at The Citadel will normally be higher than a typical college health fee because The Citadel provides more routine coverage without additional charges to the cadet. Unusual charges such as x-rays and prescription drugs are billed to the cadet in addition to the Infirmary Fee. This fee is only applicable to those students residing in the barracks.

Questions regarding scholarships and financial aid should be referred to the Director of Financial Aid. Inquiries from the news media should be referred to the Vice President for Communications & Marketing or the Vice President for Finance & Business.
