Carry **My Health Toolkit**[®] with you everywhere.

Now you can enjoy the making-your-life-easier utility of My Health Toolkit in an app!

With it, you can:

Use your digital ID wherever, whenever.

A trip to the doctor's office isn't always expected or scheduled. Or even if it is, feel confident that with the My Health Toolkit app you can share and access your most up-to-date digital ID card anytime, anywhere.

Check the status of your claims fast.

Not sure if your insurance has already been applied to your doctor's bill? Check the status of your claims in real time with the My Health Toolkit app.

See what's covered by your health plan.

Wondering how much you may need to pay upfront for a visit or service? With the My Health Toolkit app you can view your benefits easily, wherever you go.

Find a local provider who's right for you.

Whether you're looking for a dentist, dermatologist or just a family doctor, the My Health Toolkit app lets you find an in-network local provider quickly from your mobile device.

Download it today – so it's there whenever you need it.
