## CITADEL SUCCESS INSTITUTE (CSI)

### *The Head Start Every Future Bulldog Needs.*

A month-long summer transition program that gives incoming cadets a head start academically, physically, and socially at The Citadel. During CSI, participants earn college credit in core courses, enhance study strategies, develop time management & organizational skills, build support networks through peer & campus mentor connections, and navigate campus & college life before formal cadet training begins. **CSI students consistently enter the fall semester better prepared, more confident, & more academically successful than their peers who do not attend.**
